

Mix & Match

The scent of your dreams

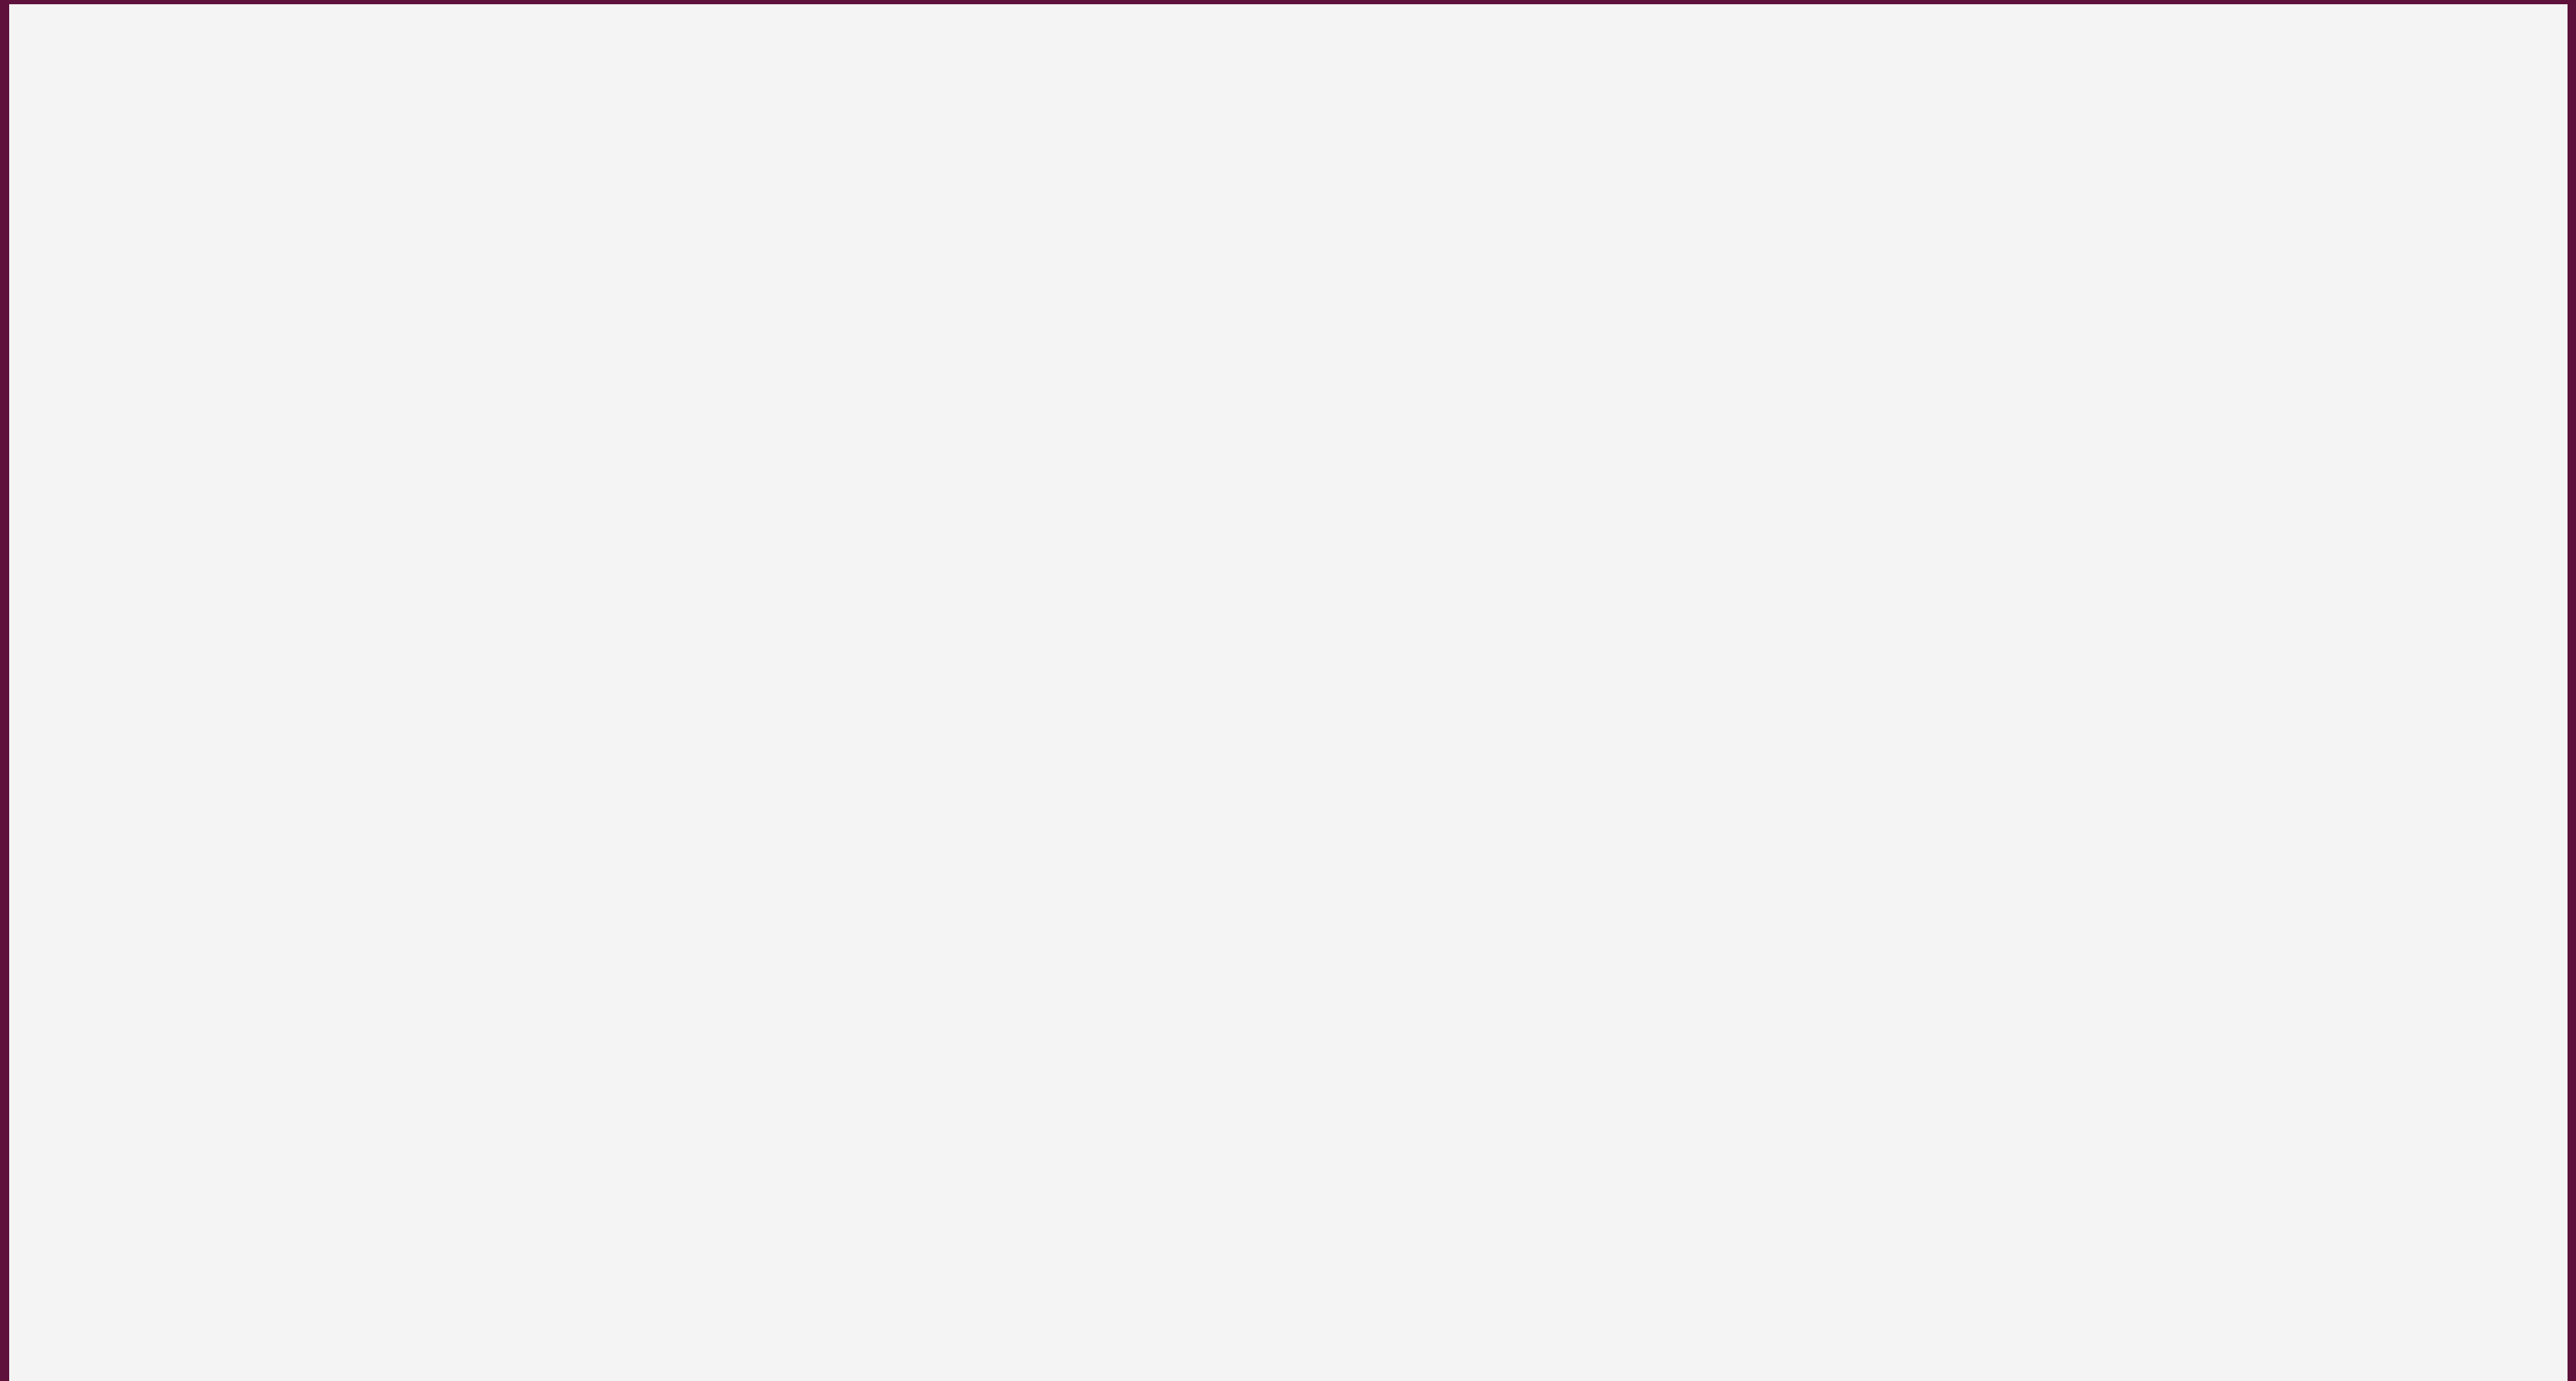

About us

Welcome to the world of Mix & Match perfumes! Our goal is to create unique and special fragrances that express the personality and style of the wearer. Each of our perfumes is individually designed and luxuriously crafted to provide the highest quality and elegance to its wearer. Mix & Match is a perfume brand inspired by luxury, uniqueness and creativity.

How to build your perfume?

Top note:

The first scent we smell when we open a perfume

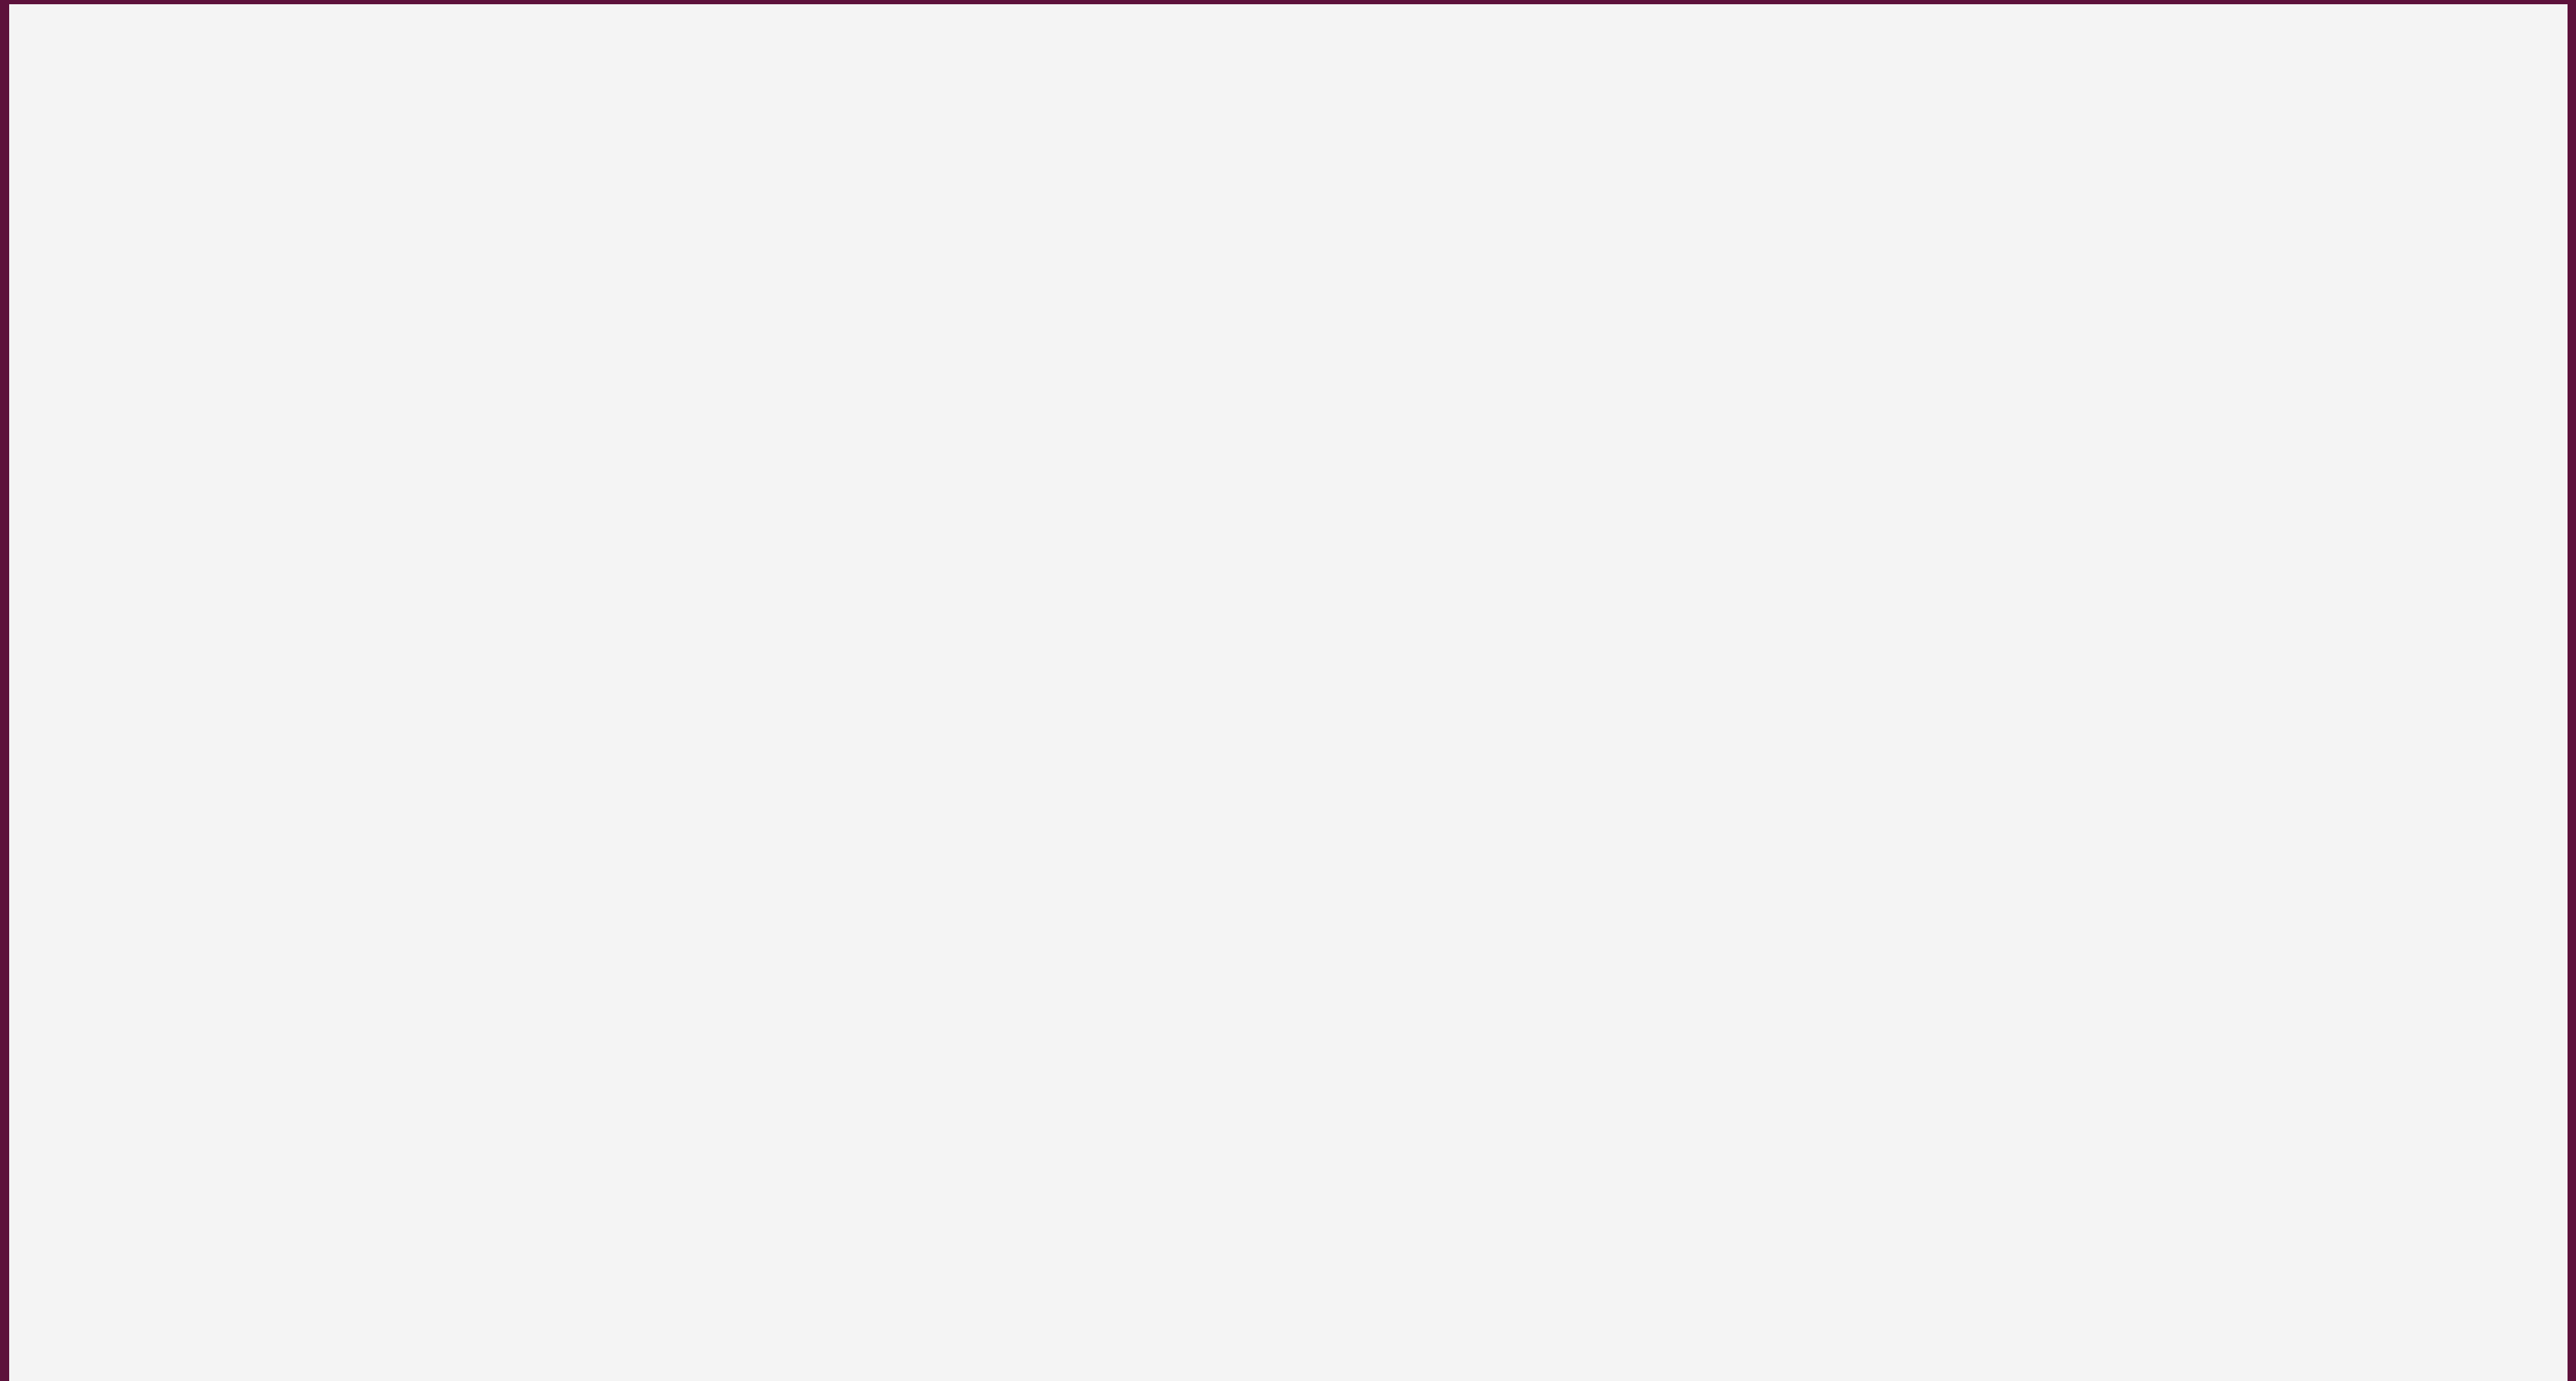

Heart note:

The heart note appears fifteen minutes after application.

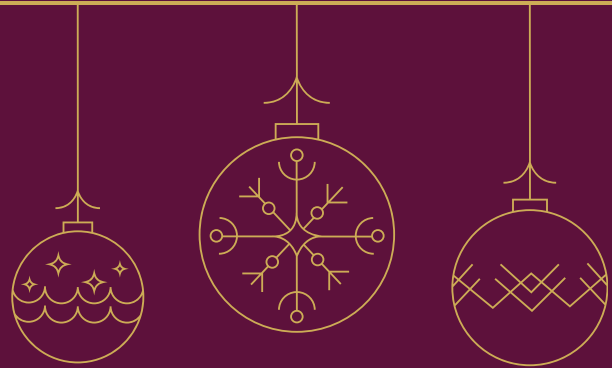

Base:

The base is the part of the fragrance that lasts the longest.
